Architectural plan of the entrance area of the 'CASA DI MONTESAPONE'. The plan shows a rectangular building footprint with a central entrance and a side entrance. Key features include:

- Entrance Area:** A central entrance with a 'TERMINALE DI INGRESSO' (entrance terminal) and a 'BARRIERA STRADALE DI INGRESSO' (entrance road barrier). A 'POZZETTO D'ISPEZIONE 50x50 cm' (inspection pit) is located near the entrance.
- Side Entrance:** A side entrance with a 'TERMINALE DI USCITA' (exit terminal) and a 'BARRIERA STRADALE DI USCITA' (exit road barrier). A 'POZZETTO PER CAVIDOTTI 50x50 cm' (pit for conduits) is located near the side entrance.
- Structural Elements:** A 'SPIRA ELETTROMAGNETICA' (magnetic spiral) is located near the side entrance. A 'PANNELLO LUMINOSO' (light panel) is located near the entrance.
- Dimensions and Layout:** The plan includes various dimensions (e.g., 300, 430, 700, 100, 80, 16, 300) and a scale of 1:50. A red dashed line outlines the main entrance area, and a green dashed line outlines the side entrance area.
